

Gestational Diabetes Conference

Diabetes and Pregnancy: The Sweet Success Model of Care

July 11, 2008

Arizona Diabetes Program is pleased to welcome guest speakers Elaine Simon and Sharmila Chatterjee from the California Diabetes and Pregnancy Program, Sweet Success, for a 1-day training in the management and care of gestational diabetes.

Purpose:

This one day training is an introduction to the Sweet Success program, a model of care for pregnant women with diabetes. Participants will learn the most comprehensive recommended management of diabetes in pregnancy. The training will provide tools to improve pregnancy outcomes for women with diabetes by reducing maternal and infant mortality and morbidity.

Location:

Fiesta Inn Resort
2100 South Priest Drive
Tempe, Arizona 85282
480-967-1441

Registration: Training:

8:00a.m. – 8:30a.m.
8:30a.m. – 4:30p.m.

Who should Attend:

Registered Nurses, Registered Dietitians, nutritionists,
and other healthcare providers new to providing care to
women experiencing diabetes and pregnancy.

At the conclusion of this conference participants will be able to:

- Describe the pathophysiology of diabetes and pregnancy
- Identify the most current diet and exercise therapy for pregnancy and diabetes
- Describe the pharmacological treatment to maintain optimal blood glucose control
- List the pre-prandial and post-prandial target blood glucose recommendations
- List maternal and fetal and neonatal complications

This training is provided at no cost and is limited to 100 participants on a priority basis.
CEU's pending.
